

## **ACCESS CLINICIAN**

### **Job Summary**

Shiawassee Health & Wellness, an innovative Community Mental Health organization, is seeking a Master's level Access Clinician (LMSW, LLP, or LPC) to facilitate services for individuals and families. Clinician will work within a managed care capacity overseeing services to assure that individual or family is connected with and maintained in the appropriate and medically necessary services.

### **Responsibilities and Duties**

Responsibilities include responding to requests for services through intake, emergencies, and pre-admission screens, screening for psychiatric hospitalizations, providing crisis intervention, providing OBRA Evaluations as needed, and coordinating with community and natural resources to assist with housing, benefits, food, clothing, etc.

### **Qualifications and Skills**

Master's degree in social work, clinical psychology, or counseling and 2 years clinical experience required (full or temporary/limited license acceptable). Experience with crisis intervention, short-term treatment, diagnosing, community networking, and knowledge of developmental disabilities and treatment of emotionally impaired or mentally ill individuals preferred

### **Benefits**

Excellent benefit package including paid holidays, generous Paid Time Off (PTO), health, dental, and vision Insurance, short and long term disability, life insurance, employer sponsored pension, and much more.

Send resume to Shiawassee Health & Wellness, Attn: HR-ACC, 1555 Industrial Drive, Owosso, MI 48867, Fax 989-723-0754, or email to [jobs@shiabewell.org](mailto:jobs@shiabewell.org). Deadline March 22, 2019.
