

NURSING SUPERVISOR

Job Summary

Shiawassee Health & Wellness, an innovative Community Mental Health organization, is seeking a qualified Registered Nurse to provide leadership and management services to the Psychiatric and Nursing department, while ensuring complete integration of care plans and program operations.

Responsibilities and Duties

Responsibilities include providing direct supervision to nurses, medical assistants, and any other staff providing integrated health care services, serving as a liaison with other agencies within Shiawassee County, serving as the liaison to Iris Telehealth for tele-psychiatry related matters and ensuring timely completion and submission of deliverables for the Promoting Integration of Primary and Behavioral Health Care (PIPBHC) grant.

Qualifications and Skills

Associate degree in nursing required, Bachelor's degree preferred, and three or more years of experience serving persons with developmental disabilities and/or adults with mental illness. Training in integrated health care, experience with grants, and previous supervision experience preferred.

Benefits

Excellent benefit package including paid holidays, generous Paid Time Off (PTO), health, dental, and vision Insurance, short and long term disability, life insurance, employer sponsored pension, and much more.

Send resume to Shiawassee Health & Wellness, Attn: HR, 1555 Industrial Drive, Owosso, MI 48867, Fax 989-723-0754, or email to jobs@shiabewell.org.
