

## Job Posting

### **Maternal Infant Health Program (MIHP) Social Worker / Children's Case Management**

#### **Job Summary**

Shiawassee Health & Wellness, an innovative Community Mental Health organization, is seeking a clinician to provide outreach and in-home case management services, as part of a treatment team, to children and families served by Shiawassee Health and Wellness and Shiawassee Co. Health Department and provide Wraparound services to the consumers of SHW children's community-based program. Provides twenty-four-hour crisis intervention for SHW children's services on a rotating, on-call basis, which may include Mobile Crisis Intervention and Response. Coordinates mental health services with those of other community agencies to prevent hospitalization and out-of-home placement and to promote individual, family and community functioning.

#### **Responsibilities and Duties**

This clinician will provide intensive case management services to the parents and children served by Shiawassee Health and Wellness and Shiawassee Co. Maternal Infant Health Program. In addition to the case management role, this provider will provide intensive, comprehensive, and individualized assistance to families and children, who are being served by SHW, who have complex needs, which manifest themselves as a serious emotional or behavioral disturbance and are at risk for out-of-home placement. The clinician will coordinate and facilitate community services and natural supports, and promote individual, family, and community functioning. Lastly, the clinician will provide Wraparound services to select families served by Shiawassee Health and Wellness

#### **Qualifications and Skills**

**Education:** Bachelor's degree in social work from an accredited university, and have appropriate certification, licensure or registration as required (LBSW or LLBSW).

**Experience:** Two years of experience providing therapeutic case management and/or out-reach services to children and families. Experience with infants and toddlers preferred.

**Other:** Infant Mental Health certification and certification in Wraparound preferred. Certification in PMTO, or TF-CBT, a plus. Must possess a valid driver license in good standing as determined by the agency. Ability to work a flexible schedule, including evenings as necessary, to meet the needs of consumers and the agency.

**Benefits**

Excellent benefit package including paid holidays, generous Paid Time Off (PTO), health, dental, and vision Insurance, short- and long-term disability, life insurance, employer sponsored pension, and much more.
